

Blended & Decaff Coffee Price List June 2015

All of our coffees are freshly roasted in the basement of our shop. This freshness makes a huge difference to the quality of our coffee! Remember when ordering to state whether you wish to have your coffee as beans or ground.

Available in 125g, 250g, and 500g bags.

*Mild ***** Strong

BLENDED COFFEES

The purpose of blending is to combine a variety of coffee characteristics such as aroma, acidity, body & colour. These blends are our own recipes and as such are unique to MacBeans.

- BREAKFAST SPECIAL ***** £ 4.80 / 250g
A blend of high grown arabica beans producing a tangy full flavoured coffee. Ideal drunk with milk, best made in filters or cafetières.
- BON ACCORD BLEND ****** £ 4.70 / 250g
A strong blend of arabica & robusta beans. Rich in flavour with a little bit of bite.
- CONTINENTAL BLEND ******* £ 4.70 / 250g
Our darkest roast, producing a very strong coffee which is both rich in flavour and high in caffeine
- ESPRESSO ARABICA ****** £ 4.80 / 250g
A blend of 100% specially selected Arabica. A superb blend, balancing richness with flavour and acidity but avoiding a bitter aftertaste.
- ESPRESSO CLASSICO ******* £ 4.80 / 250g
Our original espresso blend, based on the classic Italian combination of dark roasted arabica & robusta beans.
- GOURMET BLEND ****** £ 4.80 / 250g
A blend of dark roasted Java and Breakfast Special producing a beautifully balanced coffee with a bittersweet chocolate texture.
- GRANITE CITY BLEND ***** £ 4.80 / 250g
A blend of five top quality arabica coffees. Producing an extremely well balanced and aromatic coffee suitable for all occasions.
- LITTLE BELMONT BLEND ***** £ 4.80 / 250g
This has been our best selling blend since we opened in 1989. Made from Central & South American arabica coffees.
- MOUNTAIN BLEND ****** £ 4.80 / 250g
A dark and oily French roast of arabica beans resulting in a coffee with a strong aroma and distinct flavor.
- 50/50 *****
Ideal for those who wish a low level of caffeine but not totally decaffeinated. Priced according to coffee used.

SWISS WATER DECAFFEINATED COFFEE

Our coffee is decaffeinated 100% chemical free, To see how they do this go to www.swisswater.com

- DECAFF ESPRESSO BLEND ****** £ 5.50 / 250g
This blend of decaffeinated Robusta & Arabica beans produces a truly authentic espresso. Can also be used in cafetieres etc.
- DECAFF COSTA RICA ***** £ 5.50 / 250g
Grown High in the Central Valley of Costa Rica. Medium roasted, this decaff is full of nutty Costa Rican flavour.
- DECAFF SUMATRA ****** £ 6.00 / 250g
A decaffeinated version of our best selling Blue Sumatra coffee, it has all the taste and richness but without the caffeine
